

## GOVERNOR (1977-1984 : MATHESON) [446]

### SCHEDULES, 1976-1985

16 cubic feet and pending microfilm reels

**DESCRIPTION:** This series contains a variety of documents including appointment request forms, daily schedules, brochures, flyers, reports, itineraries, promotional material, announcements, cards, memorandums and prepared remarks which cover the entire administration of Governor Matheson, from shortly before his inauguration in January 1977 to his official leave of office in January 1985. The series relates to activities on the Governor's schedule, as well as requests for the Governor's time and/or endorsement. The Governor's acceptance of requests is usually indicated by an "ok" and his initials on the requesting document but in the event of declines a regret letter is usually found attached to the original requesting document. The requests in this series deal with a spectrum of subjects, most local but some national. Most requests are for the Governor's presence at a function or for a meeting with him. The substantial volume of requests indicates the demand placed on the Governor's time while in office.

**ARRANGEMENT:** This series is alphabetical by subject, thereunder chronological by year.

**RELATED RECORDS:** For records related to the governor's schedule and his protection consult series 4535, EXECUTIVE PROTECTION RECORDS. For further information concerning the events on the governor's schedule refer to series 1601, CONSTITUENT CORRESPONDENCE, series, 19268, STATE CORRESPONDENCE, series 4468, CORRESPONDENCE and series 4528 PRESS RELEASES.

**PROCESSING NOTE:** This series was processed by James Kichas between March and April 2003.

**PREFERRED CITATION:** Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
